

Corporate Sponsorships 2025 Opportunities

Letter from CEO Tricia Holder

Hello Georgia Pet Lovers!

I would like to personally invite you to support **Fix Georgia Pets 2025 spay/neuter mission to solve our state's ongoing pet overpopulation epidemic**. Last year's corporate sponsorships, along with our donors, enabled us to exceed our annual fundraising goal.

Fix Georgia Pets achieved so much with these funds raised during the year:

- Awarded **53 spay/neuter grants** to partners serving **141 counties**.
- Funded approximately **4,466 spays/neuters**, preventing approximately **62,521 unwanted pet births**.
- Built **49 veterinarian partnerships** to negotiate **and lower costs by 20-90%** per spay/neuter.
- Launched an **individual spay/neuter voucher program** in partnership with **Georgia SPOT Society**.

Yet, there is still so much demand for spay/neuter in rural pockets of Georgia to truly reverse the tides when it comes to pet overpopulation. We need your help!

Your help is an absolute necessity, not only in funding our **spay/neuter grant program to reach all 159 counties** but also in growing **our new spay/neuter voucher program**, along with other innovative solutions throughout our state.

We are grateful for your ongoing support and look forward to seeing you at our events this year!
